BALSAM BASH
Saturday 1st July 2017

Meet at Diggle Tip near the bridge
onto Huddersfield Rd 10:00 am start.

Join us to help tackle the invasive plant
Himalayan Balsam.

We are hoping to clear the invasive plant
Himalayan Balsam from the Diggle Tip,
Duck Pond and Canal Towpath Areas.

Do you like being outdoors? Don't mind
getting a bit muddy? 'Balsam Bashing' is
easy to do and very satisfying. No
experience required, just wear long
trousers and sensible outdoor clothes.
Wellies or sturdy walking boots a must!
