She Sheds (DIY for ladies)
She Sheds started at Springhead in 2016 initially with an 8 week taster course in collaboration with Age UK and Men in Sheds. It was a great success and we decided to carry on. We now meet on Wednesdays with a session from 09:30 to 12:30 and another from 13:00 to 16:00. Each session is separate so you can come morning or afternoon or both. Learn those basic skills of changing fuses, washers, wood working skills, gardening and any others you choose. You choose your own project or join in with a group one.

Each session costs £3.00
Wednesdays 09:30 – 12:30 & 13:00 – 16:00
