BURGLARY DWELLING X 2

Belmont Avenue, Springhead on the 20th Feb at 21:10hrs. Offender attempts to gain entry to home by smashing rear door.

Moorland Avenue, Delph on the 3rd Feb at 21:00hrs. Offender attempts to gain entry to home by tampering with lock.

There has been an increase in 'lock snapping' as a way of gaining entry to properties. Locks that have the key lock protruding from the casing can be vulnerable. Offenders bend back the lock casing and then use a tool to grab the protruding lock and snap the barrel.

You can have your locks replaced with locks that have been designed to withstand this type of attack. Any good lock smith will be able to advise you.
