

## Choosing our Denshaw Summer Film programme:- May to August 2017

Every four months we have to pick the eight films we want to see during the next four months. We do it by having a bit of a party!

You are invited to come and help choose the best 8 out of a total of 27 films. We look at the trailers, hear what the international critics are saying about each and award points. Those with most points are the ones we go for. Some films are so new to the UK that you may not have heard of them!

Wednesday 5th April is the date, 7.30pm the time we start and we hope to finish at around 9.30pm.

FREE coffee or tea with biscuits, with wines and beers also being available.

Our cinema holds just 50 in comfort, so it would be helpful if you could just give us a call to say you are coming: Just call or leave a message on 01457 870074 or 07780 386912.

In 1942, a Canadian intelligence officer in North Africa encounters female French Resistance fighter on deadly mission behind enemy lines. When they reunite in London, their relationship is severely tested by the pressures of war. Stars Brad Pitt and Marion Cotillard.
