

# Diggle 2018

## Can you help?

The Diggle Community Association works throughout the village to make it a great place to live and visit.

There are many things we do from keeping the canal area tidy, planting bulbs and flowers to fundraising and organising the Christmas tree and lights.

With ever increasing pressures on time and availability we find ourselves in need of help and support. Could you spare a bit of time every month or so to contribute to the association?

We meet every few months at Diggle Band Club.

Here is a provisional list of meetings planned for 2018. All are welcome to attend, the young and not so young. The more the merrier!

**February 28th 8pm Annual General Meeting.**

**March 14th 8pm Open Meeting**

**May 16th 8pm Open Meeting**

**August 15th 8pm Open Meeting**

**November 7th 8pm Open Meeting**

To join our mailing list and for more information about how you can help to promote a thriving Diggle Community please contact:
